

In 5 seconds from a small package to a grown up bicycle!

1. Bring the handlebars into the upright position and lock them.
2. Unlock the hook on the frame and push the frame downwards.
3. Unfold the bicycle by pulling the saddle backwards.
4. Lock the frame.

Note: Simply reverse this sequence to fold the bicycle.

Di Blasi

Irresistible, a suitable qualification for the Di Blasi foldable bicycle. You will undoubtedly fall for the beauty of the design, its brilliant colours and its technical ingenuity.

Di Blasi combines solid construction with safety and comfort in a foldable bicycle. These qualifications are proved by the drum brakes and the main frame being fabricated in one piece.

The comfort of a Di Blasi is clear. No more parking problems in the crowded towns .

PARK & RIDE!

You have this tender always available. It follows you without any problems in the car, in the boat, in the caravan even on public transport. And don't forget the comfort during your free time. To the beach, the forest, your favourite fishing ground. In short, your foldable bicycle is your best companion. ***And you won't mind being seen together!***

The saddle as well as the handlebars are easily adjustable. For that reason you ride in a very relaxed way, enjoying the world around you.

The 4 speed Derailleur is easily controlled from the handlebars.

For your total safety all hinge points are double locked.

Front and rear lights are of course standard.

All Di Blasi models are fitted with standard size tyres.

Convince yourself about the beautiful design and the practicality of a Di Blasi foldable bicycle. Don't hesitate to try one at your local dealer and you will see that ***Di Blasi is...irresistible!***
